## PADUA

Padua is a hemp and linen satin with a dry and somewhat matte surface, giving it a straight, elegant and natural look. Padua is part of our collection Selected Linen, a mix of double width natural fiber fabrics in a natural colour tone.

For best result use the width of the fabric as the width of the curtain. It will stretch and/or contract depending on humidity, dryness and temperature.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
